§418.3005 Purpose and administration of the program.

The purpose of the subsidy program is to offer help with the costs of prescription drug coverage for individuals who meet certain income and resources requirements under the law as explained in this subpart. The Centers for Medicare & Medicaid Services (CMS) in the Department of Health and Human Services has responsibility for administration of the Medicare program, including the new Medicare Part D Voluntary Prescription Drug Benefit Program. We notify Medicare beneficiaries who appear to have limited income, based on our records, about the availability of the subsidy if they are not already eligible for this help, and take applications for and determine the eligibility of individuals for a subsidy.

ELIGIBILITY FOR A MEDICARE PRESCRIPTION DRUG SUBSIDY

§418.3101 How do you become eligible for a subsidy?

Unless you are deemed eligible as explained in §418.3105 and 42 CFR 423.773(c), you are eligible for a Medicare Part D prescription drug subsidy if you meet all of the following requirements:

(a) You are entitled to or enrolled in Medicare Part A (Hospital Insurance) or enrolled in Medicare Part B (Supplementary Medical Insurance) or both under title XVIII of the Act.

(b) You are enrolled in a Medicare prescription drug plan or Medicare Advantage plan with prescription drug coverage. We can also determine your eligibility for a subsidy before you enroll in one of the above programs. However, as explained in §418.3225(b), if we

determine that you would be eligible for a subsidy before you have enrolled in a Medicare prescription drug plan or Medicare Advantage plan with prescription drug coverage, you must enroll in one of these plans to actually receive a subsidy.

(c) You reside in the United States as defined in §418.3010.

(d) You (and your spouse, if applicable) meet the income requirements as explained in §§418.3301 through 418.3350 and 42 CFR 423.773.

(e) You (and your spouse, if applicable) meet the resources requirements as explained in §§418.3401 through 418.3425 and 42 CFR 423.773.

(f) You or your personal representative file an application for a subsidy as explained in §§418.3201 through 418.3230.

§418.3105 Who does not need to file an application for a subsidy?

Regulations in 42 CFR 423.773(c) explain who is deemed eligible and does not need to file an application for a subsidy to be eligible for this assistance. Full-benefit dual eligible beneficiaries are in this category. If beneficiaries have deemed eligibility status because they receive Medicaid coverage, are enrolled in a Medicare Savings Program within their State, or receive SSI and have Medicare, then their subsidy is effective with the first month they have deemed eligibility status.

§418.3110 What happens when you apply for a subsidy?

(a) When you or your personal representative apply for a subsidy, we will ask for information that we need to determine if you meet all the requirements for a subsidy. You must give us complete information. If, based on the information you present to us, you do not meet all the requirements for eligibility listed in §418.3101, or if one of the events listed in §418.3115 exists, or you fail to submit information we request, we will deny your claim.

(b) If you meet all the requirements for eligibility listed in §418.3101, or you meet all the requirements except for enrollment in a Medicare Part D plan or Medicare Advantage plan with prescription drug coverage, we will send you a notice telling you the following:
